THE CLAYTON LINEN CO., INC.

About Us

As the industry leader in the production of high quality linen, we have a rich history of excellence. Our commitment to quality, customer service and innovation, combined with our focus on sustainable and ethical practices, sets us apart from our competitors. We are proud to be a part of the industry's future.

The company's commitment to quality is reflected in our ISO 9001 certification and our ISO 14001 environmental management system. We are also a member of the Linen Industry Association (LIA) and the Linen Institute (LI). Our focus on innovation is reflected in our investment in research and development, which has led to the development of new products and processes.

We are committed to providing our customers with the highest quality linen products. Our products are made from the finest flax fibers and are produced using the most advanced technology. We are proud to be a part of the industry's future.
